Batch: 4

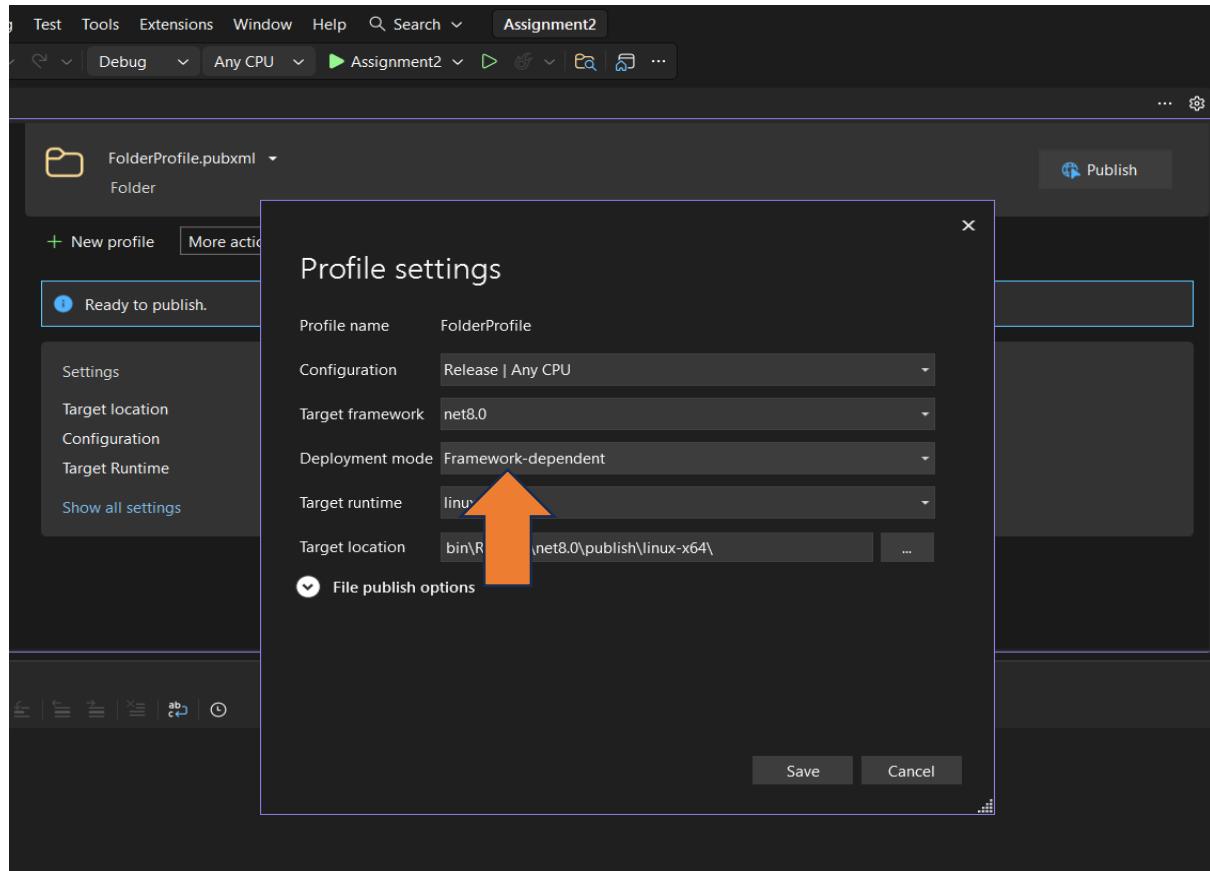

Create a document providing all steps for publishing using self-contained and framework-dependent mode.

Steps to publish:

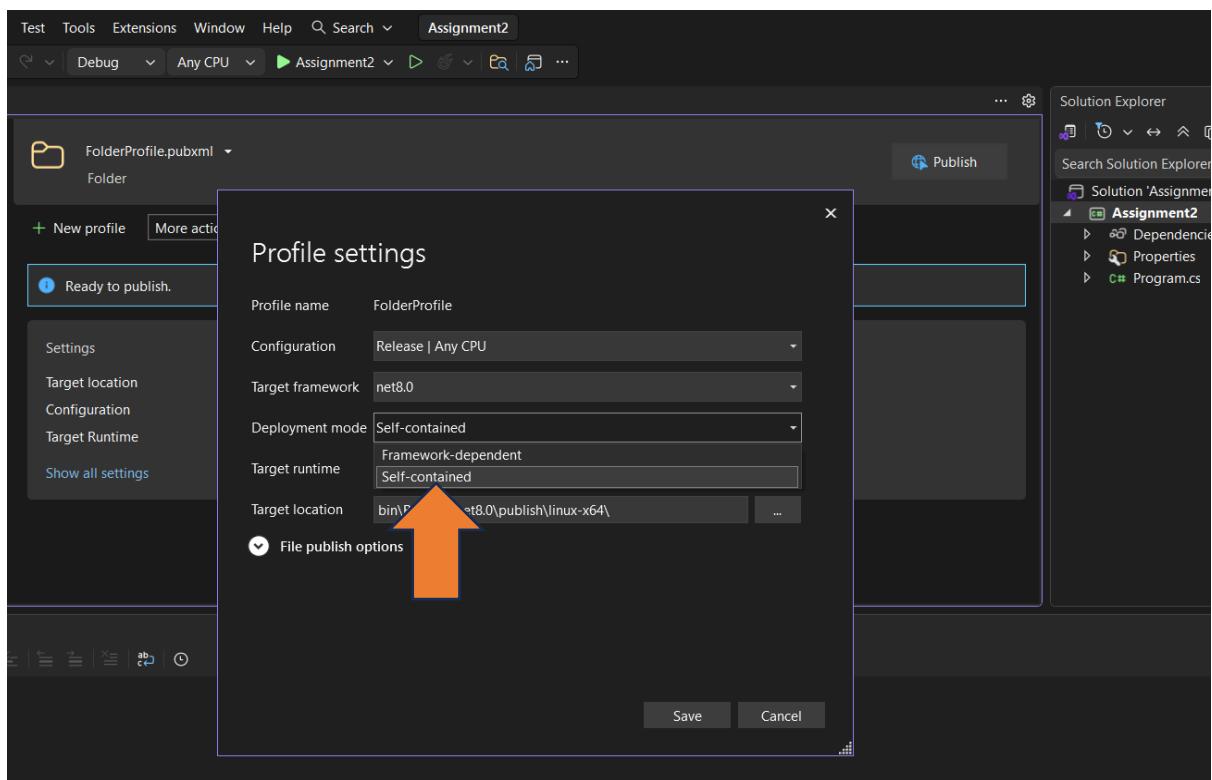

- 1) Write click on Project.
 - 2) Click on Publish.
 - 3) Click on Folder.
 - 4) Again, click on Folder.
 - 5) Click on Finish.
- 6) Choose the Edit option.**

7) Choose the Deployment mode dropdown.

8) Click on the mode you want to choose (Framework-dependent/Self-contained).

9) Click on save.

10) Finally, project is published.
